2nd September 2020

Dear Parents and Carers,

Coronavirus Information for Parents

There is a new page on our school website which gives parents access links to useful and relevant advice surrounding the guidance on coronavirus. You will find links to all relevant guidance from the government and Public Health England, together with copies of letters sent out from school.

There is a link to a document called *Preventing and managing local outbreaks* which is a protocol from Durham County Council's Health Protection Team, highlighting the procedures for schools to follow should a pupil or member of staff display symptoms of, or test positive for, coronavirus. It gives clear information on when and how long people should to self- isolate for and how to access testing locally.

St Charles' School is working in partnership with Durham Health Protection Team and continues to receive regular updates regarding safety measures for schools.

We will keep parents informed of any changes through the school website and through Parent mail.

Yours sincerely,

A handwritten signature in cursive script that reads "Mary Tate".

Miss M. Tate
Executive Headteacher
