5<sup>th</sup> January 2021

Dear Parents and Carers,

### Remote Learning

Following the government's announcement of a national lockdown last night, we are now reverting to a remote learning approach at St Charles. School remains open to vulnerable pupils and those children of key workers and they too will be following the same curriculum content as their friends at home.

Teachers will upload work to the remote learning section on the school website later this afternoon which will provide children with their work **for the remainder of this week:**

- approximately 2-3 hours of work each day
- signposts to websites and presentations
- instructions regarding work and expectations
- a telephone number and time slots for when the teacher will be available to answer any questions and queries from you regarding this work set

### Remote Learning from Monday 11<sup>th</sup> January

We will move to our longer term model of remote teaching and learning from Monday 11<sup>th</sup> January.

Each class teacher will devise a timetable of learning for their class and work will be delivered through Google Classroom each day.

There will be contact sessions each day with the class teacher, who will direct the learning for all children in the class. Children who are attending school will also join in these sessions.

Further information and log in instructions will be sent out over the next couple of days.

### Hard copies of work

Families who require hard copies of work set are asked to complete the form, which will follow shortly, and return it to school via Parentmail.

With all good wishes,

A handwritten signature in cursive script that reads 'Mary Tate'.

Miss M. Tate  
Executive Headteacher
